

VISION			STRATEGIES			ACCOUNTABILITY	
Core Values/Beliefs	Purpose/Mission	Goals (1-3 Years)	Targets	Quarterly Priorities	Dates	Your Priorities	Due
<p>We believe that our students, school district and community will become more environmentally conscious .</p> <p>We believe that through the process of becoming more environmentally conscious, we will improve our world for us and those who follow.</p> <p>We believe that through education, we will teach students, staff and community to become stewards of the environment.</p> <p>We are the stewards of the taxpayers dollars for Shepherd Public Schools, by promoting, modeling, & teaching best practices for energy conservation.</p>	<p>Our "Blue and Gold Makes Green" program increases the use of practical energy conservation practices in the Shepherd Public School District through sharing wise energy usage actions, updating equipment with energy efficient equipment, and education about alternative energy resources. Best of all, by working together, we can reduce energy consumption and create a clean environment for future generations.</p>	<p>Using the 2006-2007 school year as our base year, we will reduce our annual energy consumption per square foot.</p> <p>To reduce expenditures for energy consumption, thus freeing up funds to sustain district programs and facilities.</p> <p>To stimulate the practice of energy conservation at each facility by providing incentives and offering recognition for energy conservation efforts.</p> <p>To investigate, coordinate, and provide resources for the promotion of energy conservation and energy education.</p> <p>To create more of an awareness in the Shepherd Community by informing them of our energy conservation efforts on a regular basis through the use of our website and the Jay News.</p>	<p>Increase energy awareness amongst students, staff and parents</p> <p>Implementing energy saving practices into our K-12 school day.</p> <p>Develop baseline for energy consumption</p> <p>Develop a capital spending plan</p> <p>Discuss Task Force information as part of the regular monthly staff meeting.</p> <p>Begin using the "School Dude Program" to produce reports about consumption and cost.</p>
